

Exceptional Opportunity in the Spa & Beauty Industry!

Inspired Sciences, LLC is the exclusive worldwide distributor of our award-winning, single-use paraffin skin care technology (US and International Patents Pending). Introduced just over a year ago, our paraffin systems are already used in over 2,000 of the world's most prestigious Spas and Salons.

In addition to providing exceptional skin hydration and protection, our innovative delivery system eliminates the risk of bacterial and fungal cross-contamination associated with the traditional "communal dip" paraffin systems. Growing demand from consumers and professionals is driving our expansion.

Inspired Sciences, LLC has immediate openings for energetic, motivated individuals who will be responsible for customer acquisition and maintenance of professional accounts. This is a ground-floor career opportunity to work with high-quality people in a growing company doing business in the fastest growing leisure industry in America today – the Spa Industry!
